## News from the Course

There has not been much to report from the golf course this month. Weather kept us in the shop working on equipment and refurbishing golf course accessories. During the month of February, we will be working on a few different projects when the weather cooperates.

- We will be applying herbicides to all warm season grasses to eradicate winter weeds as well as prevent broadleaf and grassy weeds next season. We will have to do this during sunny days as the plants take up the chemicals much better in the cold weather when it is sunny. This will normally impact some winter golfing. We will try to keep you informed on when this will take place but as you know we may have to make a decision quickly as weather changes.
- We also have some tree removal to complete. Dead trees will be removed as needed around the golf course.

These two projects will take up most of the month and we will then be looking on to spring. Have a great month.

## **"Meet the Members"**

Each month in the newsletter, we have a brief write-up about a selected member or members here at Rolling Hills. This will help to introduce our members to the entire club as well as share interesting memories and information about our club in general and members in particular. Featured in the January newsletter is the Griffith family. Please read as they share their RHCC experience with us.

Hello, we are Joey, Renee and Austin Griffith.

Renee and I both grew up around the Paducah area; and, except for a few years we spent in the St. Louis area, we have lived in the area most all our lives.

I am in Quality Assurance at NRE-Paducah; Renee is a pharmaceutical sales rep for Astra-Zeneca; and Austin is currently a freshman at Paducah Tilghman.

We originally joined Rolling Hills in 1999 and have always enjoyed our time at the club. RHCC has allowed us to meet a tremendous amount of great people, and we've developed some fantastic, long lasting friendships over the years.

We enjoy most all sports, but golf has been a major part of our lives for more than 20 years now, whether it's playing a tournament, playing for fun or just watching it on TV. RHCC has been a great place for us to be able to play the game we care so much about!

We look forward to making many more great family memories with our friends at RHCC for many years to come!

# Men's Night - Every Thursday night in February

Men's Night will continue during the month of February on Thursday nights. Activities will vary from week to week. Make plans to attend! You won't want to miss a single night.

# WELCOME!

Rolling Hills is excited to say welcome to our newest members. We are glad you are part of the RHCC family.

## 2016 Golf Course Usage Fee

The annual Golf Course Usage Fee of \$160 (formerly known as Trail Fee) is due in March. This fee is for ALL golfers at Rolling Hills unless you rent a cart when you play OR unless you pay a \$10 rider fee when you play.

If you currently pay your monthly dues by automatic draft, this fee will be added to your March withdrawal. If you prefer to pay the fee separately and DO NOT want to have it automatically deducted, please email at [ldapp@comcast.net](mailto:ldapp@comcast.net) or call the office at 270.554.4508, Ext 1.

Please be patient while we update the flooring in the Clubhouse. We hope to have it completed the first week of February. Sorry for the inconvenience.
