

"Meet the Members"

Each month in the newsletter, we have a brief write-up about a selected member or members here at Rolling Hills. This will help to introduce our members to the entire club as well as share interesting memories and information about our club in general and members in particular. Featured in the November newsletter is Bob Simmons. Please read about Bob as he shares his RHCC experience with us.

Bob Simmons

I retired from the Paducah Gaseous Diffusion Plant after 40 years of employment as a chemist and have resided on Berger Road the past 60 years.

My late wife Dot and I placed membership at Rolling Hills Country Club in 1975. Dot was a very avid golfer and participated in most all of the local women's golf activities. I played some golf but was more active in tennis. At the time we placed membership, new tennis courts had been built; and tennis thrived at Rolling Hills for several years thereafter.

My daughter Nancy Ragland and husband Rick are club members as well as my granddaughter Rae Ann and husband Ben Walker. Ben and Rae Ann have a two-year old daughter, Quinn Ellis. I'm told I may be a great grandpa again in a few months. Grandson Wes Ragland and wife Santy reside in Lexington.

One big asset the club offers me is a frequent chance to loaf in the backroom with a bunch of wise old geezers. If you have a problem and need an answer, that's the place to go. You may even get a free mini golf lesson tip from our golf pro, Kevin, as he passes through.

Not long after I lost my dear wife Dot, I considered dropping my club membership; but my daughter said "No way"! Well, I didn't; and I'm glad.

NOTE: Bob will celebrate his 90th birthday on January 25, 2016. He recently shot his age while playing a round with his family at Rolling Hills.
