News from the Course

The Fall season is upon us. The leaves have changed and are beginning to fall. Temperatures have dropped, and it is nice to have to wear a jacket. And finally we have gotten some significant rainfall. Soon football will turn to basketball, and coats will replace jackets. I really love this time of year!

I hope that everyone who has been to the course in the past couple months has had a chance to see the improvements to the golf course that were made this year. Cart path repair, sod work, new entrance sign, tree removal, cart shed painting, and a few other small projects were completed. This has really improved the overall look and feel of the grounds.

Over the next month, the Turf Management Staff will be working mostly on continuing greens surface recovery and keeping the course playable with leaf removal. Leaf removal takes up to four months with the many trees on our property and the slowly falling leaves. We will do our best to keep your course clean and playable for you.

As we get into the second half of the month, we want to wish everyone a safe and happy Thanksgiving holiday. We do have very much to be thankful for. On that note, I would like to thank my staff for all of their hard work and long hours this year. I would also like to thank the golf course chairpersons and our committee for their continued faith and support.

We look forward to a great month and hope that there are many good golfing days left for you to enjoy your golf course as we strive to create quality playing conditions for you and your guests.

David Farris, Golf Course Superintendent

"Meet the Members"

Each month in the newsletter, we have a brief write-up about a selected member or members here at Rolling Hills. This will help to introduce our members to the entire club as well as share interesting memories and information about our club in general and members in particular. Featured in the November newsletter is Bob Simmons. Please read about Bob as he shares his RHCC experience with us.

Bob Simmons

I retired from the Paducah Gaseous Diffusion Plant after 40 years of employment as a chemist and have resided on Berger Road the past 60 years.

My late wife Dot and I placed membership at Rolling Hills Country Club in 1975. Dot was a very avid golfer and participated in most all of the local women's golf activities. I played some golf but was more active in tennis. At the time we placed membership, new tennis courts had been built; and tennis thrived at Rolling Hills for several years thereafter.

My daughter Nancy Ragland and husband Rick are club members as well as my granddaughter Rae Ann and husband Ben Walker. Ben and Rae Ann have a two-year old daughter, Quinn Ellis. I'm told I may be a great grandpa again in a few months. Grandson Wes Ragland and wife Santy reside in Lexington.

One big asset the club offers me is a frequent chance to loaf in the backroom with a bunch of wise old geezers. If you have a problem and need an answer, that's the place to go. You may even get a free mini golf lesson tip from our golf pro, Kevin, as he passes through.

Not long after I lost my dear wife Dot, I considered dropping my club membership; but my daughter said "No way"! Well, I didn't; and I'm glad.

NOTE: Bob will celebrate his 90th birthday in January. He recently shot his age while playing a round with his family at Rolling Hills.
